

**FORESTRY VENDORS  
SERVING GOODHUE COUNTY**

Forestry vendors are private, self-employed contractors. For a fee, they can provide services for a woodland owner including:

- ❖ Mechanical and chemical site preparation for tree planting
- ❖ Timber stand improvement (killing “weed” trees to open up more room for desirable trees)
- ❖ Release of desirable seedlings from competing vegetation

This information is provided as a public service and constitutes no endorsement by the United States Department of Agriculture, the Natural Resources Conservation Service of the Goodhue County Soil & Water Conservation District of any service, supply or equipment listed. While an effort has been made to provide a complete and accurate listing of services, supplies and equipment, omissions or other errors may occur and, therefore, other available sources of information should be consulted. It is the producer's responsibility to select specific products or a business regardless of whether it is listed. Producers are never limited in their choice to those vendors or products shown on these lists. It should also be noted that if cost-share assistance is involved, any product(s) selected and services provided must be approved by NRCS as meeting standards and specifications prior to payment. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, and marital or family status.
