

FREE SEED, FREE DRILL USE FOR BUFFER PLANTING

The Goodhue County Soil and Water Conservation District is currently offering free seed and free drill use for planting buffers. Eligible land must meet the following requirements for this free service:

- Land must buffer a DNR Public Water stream (call for details.)
- Buffer must not be enrolled in CRP or other conservation program.
- Buffer width must be a minimum of 50 feet and a maximum of 120 feet.

The buffer can be native or pasture grasses and cannot be row cropped. There is a limited amount of funding available, call soon to take advantage.
