

Data Collection Sheet for Registration (New and/or Existing sites)

For Delegated Counties

Instructions: Complete this form in order for your county feedlot officer to register your feedlot for you. Your county feedlot officer will enter data from this form into the online registration service to complete the registration process.

Any data collected by the county, beyond what is required for state feedlot registration, will be marked with the following statement: "This data is being collected for County purposes only and is not be required by Minn. Rule Ch. 7020 for feedlot registration."

Important – This is only a data collection sheet and completing it does not fulfill your requirement to register your feedlot. Registration of your feedlot is only complete once your county feedlot officer enters this information into the online registration system. This form will **NOT** be processed if sent to the MPCA. The information entered into the online system will be considered as the official registration information for your feedlot. If you would rather complete the registration process yourself, the online registration service can be found at: <u>https://webapp.pca.state.mn.us/services/login</u>.
